

**Overviews of Respective PhD Training Programs  
 Biosciences New Student Orientation  
 Thursday, August 18, 2011  
 2126 Medical Education and Research Facility (MERF)**

<b>Time</b>	<b>PhD Program</b>	<b>Speaker</b>
8:30 AM	Speech & Hearing	Chris Turner, PhD, Professor, Communication Sciences & Disorder
8:45 AM	Anatomy & Cell Biology	Chuck Yeaman, PhD, Associate Professor, Anatomy & Cell Biology
9:00 AM	Genetics	Dan Eberl, PhD, Professor, Biology, Director, Genetics
9:15 AM	Biochemistry	Dan Weeks, PhD, Professor, Biochemistry
9:30 AM	<b>BREAK</b>	
9:40 AM	Human Toxicology	Gabriel Ludewig, PhD, Associate Professor, Occupational & Environmental Health
9:55 AM	Chemistry	Mark Arnold, PhD, Professor & Head, Chemistry
10:10 AM	Molecular & Cellular Biology	Jackie Bickenbach, PhD, Professor, Anatomy & Cell Biology, Director, MCB
10:25 AM	Biomedical Engineering	Terry Braun, PhD, Associate Professor, Biomedical Engineering
10:40 AM	<b>BREAK</b>	
11:00 AM	Free Radical & Radiation Biology	Doug Spitz, PhD, Professor, Radiation Oncology, Director, FRRB
11:15 AM	Microbiology	Steven Clegg, PhD, Professor, Microbiology
11:30 AM	Pharmacology	Curt Sigmund, PhD, Professor & Head, Pharmacology
11:45 AM	Molecular Physiology & Biophysics	Mike Anderson, PhD, Associate Professor, Molecular Physiology & Biophysics
12:00 PM	Biology	Doug Houston, PhD, Associate Professor, Biology
