WHAT: “Change Agent” Training

This full-day training program presented by Drs. Ken Minkoff and Christie Cline is part of an ongoing initiative to develop and implement integrated systems of care in Iowa to address the complex service needs of all consumers. A growing number of agencies and individuals have begun working together as “change agents” to create a welcoming service system in Iowa for individuals with multiple-occurring disorders.

There is no fee to register for this training. Parking is free, and lunch will be on your own. CEUs are available for the following disciplines: Behavioral Health, Psychology, Social Work, Substance Abuse and/or Nursing.
