

## Carver College of Medicine Funding Announcement

Educational Development Fund grants are available through the Office of Consultation and Research in Medical Education (OCRME). The purpose of these grants is to encourage innovation and improvement in health sciences education. The OCRME Advisory Committee reviews applications and determines funding.

Any faculty member in the College of Medicine may apply for these awards. The maximum amount funded per project is \$10,000 with the project period for this funding cycle running July 1, 2009 through December 31, 2010.

**Applications are due April 1, 2009 by 4:00 PM to OCRME, 1204 MEB.**

Guidelines and Applications are available online at our web site: <http://www.medicine.uiowa.edu/ocrme/> under "Funding Sources" or contact Robyn Miessler-Kubanek at [robyn-kubanek@uiowa.edu](mailto:robyn-kubanek@uiowa.edu) or 335-6588. OCRME consultants are available at no charge to assist you with designing your project.
