For TIGR Patient Education System:

1. Turn the TV to Channel 120 and watch the welcome video.
2. Dial 555-102-2177 on the room phone and choose English or Spanish.
3. TIGR will tell you to go to one of these channels (Channel 121 to 125).
4. Use the buttons on your room phone to go through the menu.
5. Press 2 on your phone to see the patient education video choices.
6. Choose the video you want and press the # sign on your phone to watch it.
7. The system will tell you what channel will play the video.
