

# Innovation in Evidence-Based Practice

## 31<sup>st</sup> National Evidence-Based Practice Conference

April 17 (all day) – April 18 (half day), 2024 | Hyatt Regency, Coralville, Iowa

### Oral Presentation Details

March 15, 2024: PowerPoint presentation due to [kristen-rempel@uiowa.edu](mailto:kristen-rempel@uiowa.edu)

#### Presentation Details

- Presentation is 15-minutes plus 5 minutes for questions.
- All participants will have online access to a pdf of your presentation.
- A PC with projection will be provided. Do not plan to use your personal laptop. If you require any other equipment, contact [kristen-rempel@uiowa.edu](mailto:kristen-rempel@uiowa.edu) by March 15, 2024.
- If you are unable to present, you are expected to provide a substitute.
- The Department of Nursing Services and Patient Care will make every effort to successfully display your PowerPoint presentation, but we will not be held responsible for errors due to incompatibility issues or technology malfunctions.

#### Presentation Content

Please reference the following specific content for your type of presentation. Additional resources are available on the [conference site](#) in the Oral and Poster Presenters section.

#### **EBP Project**

- Model used
- Purpose and rationale clearly stated
- Synthesis of evidence
- Practice change and implementation strategies used to promote adoption and integrate practice change
- Evaluation clearly described; report findings from both process and outcome indicators
- Conclusions and implications for practice; summarize the project findings and how they might be used in practice

#### **Research Study**

- Research question or aim clearly stated
- Background of the problem and current knowledge gap
- Methods described including study and sample, design, measures, and analyses
- Results showing data and description
- Conclusions and implications for practice; summarize the study results and how they might be used in practice

Please contact [kristen-rempel@uiowa.edu](mailto:kristen-rempel@uiowa.edu) with any questions.
