

## Strawberry Daiquiri, Frozen

Garry R. Buettner

This recipe is designed to yield a generous frozen daiquiri. It is easy to scale up.

Add to a blender:

4 oz (heaping 1/2 cup; 120 g)	Crushed ice
1.5 oz (45 mL)	Rum
0.75 oz (20 mL)	Lime or lemon juice
4 oz (120 mL)	Citrus soda such as Sprite, Seven-Up etc
4 oz (120 g)	Strawberries, frozen; if fresh strawberries are fresh, add 1 t (10 g) of powdered sugar

Blend until a slush is formed, pour into glass and garnish with a strawberry, if available.

Enjoy, but don't drive.
