

Partnering to Reach Communities with Iowa's Largest Cancer Disparities

Key Partners

Our Work Together

Partnership Goals:

- Build strong relationships between the University of Iowa Holden Comprehensive Cancer Center (HCCC), the Iowa Cancer Consortium, and Black/African American communities in Iowa, beginning in Black Hawk County.
- Identify cancer-related community needs of interest to the Black/African American community in Black Hawk County.
- Match community-identified cancer-related needs to evidence-based interventions adapted to fit the unique needs and interests of the Black/African American community in Black Hawk County.
- Using funds from an Iowa Cancer Plan Implementation Grant, implement the evidence-based intervention within the Black/African American community in Black Hawk County.
- Figure out what works and what doesn't to inform future partnerships with other communities in Iowa.

Timeline and Milestones
