

## **Donald D. Dorfman Research Award**

The Holden Comprehensive Cancer Center will award **one prize of \$25,000 each** from the Donald D. Dorfman Endowment for the best research paper in leukemia or lymphoma published in **2017-2019**.

- AWARD** This award is granted through the Holden Comprehensive Cancer Center for the best research paper published in lymphoma or leukemia. The recipient of the award is to use the designated funds to support research efforts. A plaque will be presented to the recipient at a recognition event, with members of the Dorfman family present.
- CONDITIONS** Eligible papers will be those that have been published or have been accepted for publication in **2017-2019** in peer-reviewed journals.
- DEADLINE** Deadline for submission: **Noon, Monday, July 1, 2019**.
- ELIGIBILITY** Recipient must be a member of the Holden Comprehensive Cancer Center. Authors should have made major contributions to the nominated publication, but do not necessarily need to be first or senior author. Applicants may submit more than one paper, but each paper will be reviewed individually. Recipients of the Dorfman Award from the last cycle are not eligible. Successful applicants will be notified of the award in July and are expected to attend a **Recognition Event to be held on Monday, July 29, 2019 11:00-12:00** on The University of Iowa Campus. At the event they will receive an Award Plaque from the Holden Comprehensive Cancer Center and the Dorfman family, and give a brief presentation about their paper.
- HOW TO APPLY** Applicants should submit **a single PDF file** which includes a copy of the publication and a Cover Letter, which identifies the contact person with name, title, address, telephone number, the full reference, a brief summary describing why you feel the paper is deserving of the award. The summary should include the key issues addressed in the manuscript, a description of the impact of your paper on these issues and the role the applying investigator played on the paper. Failure to provide the summary and identifying key issues will negatively impact on the review of the manuscript. Please forward the Cover Letter and the paper/manuscript as **a single PDF file** to: [tami-thompson@uiowa.edu](mailto:tami-thompson@uiowa.edu)
