4	screening	You have received this link because you have been tested for COVID-19. We are enrolling some people who have COVID-19 and some who do not—you do NOT need to have COVID-19 to participate. You may be eligible to participate whether or not you have received the COVID-19 vaccine. As part of this project, we will not be giving you vaccines. If you are eligible, project participation will require 2 surveys and documentation of any healthcare related to your illness. All information you provide will be kept strictly confidential, and it will not be available to your employer, supervisor, or anyone outside the project team. You will be compensated for your time, and your participation will last approximately 4-6 weeks. Based on your understanding of this project, would you like to continue with the screening process? <i>sf1654</i>	yesno, Required <div><div>1 Yes</div><div>0 No</div></div> <div>Custom alignment: LV</div>
