

DISCHARGE LOUNGE: A COMFORTABLE SPACE FOR YOU

When you are ready to go home from the hospital, you can wait in our Discharge Lounge until your ride arrives.

The Discharge Lounge is a convenient, comfortable space with additional amenities to make waiting for your ride as easy as possible.

Our lounge is located next to the Discharge Pharmacy and Main Entrance to provide a hassle-free discharge process.

A dedicated team member is in the lounge at all times to escort you to your ride, provide amenities, and answer any questions. We can also contact your ride to let them know your plans.
