## Occupational Health Clinic

University of Iowa Health Care Occupational Health offers a comprehensive array of workers' health services including work injury treatment, employee health services, and other specialty exams. Work-related drug screenings are only available at Occupational Health Clinics.

Contact Occupational Health to schedule an appointment. No walk-in appointments are available.

Documentation will be provided after each injury care visit outlining a treatment plan and work restrictions.

### Locations

- Coralville
- Iowa City

## Walk-In Care

UI Health Care offers same-day care options for medical treatment.

### Urgent Care

Treats patients with minor illnesses and injuries, including injuries requiring X-rays, stitches, or IV fluids.

#### Locations
