

## NATIONAL EVIDENCE-BASED PRACTICE CONFERENCE – EVIDENCE-BASED PRACTICE BLINDED ABSTRACT

- Abstract must include the headings listed, please replace explanation text with your own content.
- Abstract content limited to 500 words, title and headings are not counted.
- References limited to 500 words.

**Title: (max 100 characters):**

**Purpose and Rationale:** Clearly state the project purpose (include PICO components within statement), incidence or prevalence of the problem and goal.

**Synthesis of Evidence:** Provide a synthesis of the available evidence (i.e. not an annotated bibliography) supporting recommendations for practice.

**Practice change and implementation strategies:** Describe the practice change that was developed (e.g. local EBP protocol) and key implementation strategies used to promote adoption and integrate the practice change.

**Evaluation:** Describe the evaluation used or planned for this project. Report data from both process and outcome indicators.

**Conclusions and implications for practice:** Summarize the project findings and how they might be used in practice.
