Stepping On
Building confidence, reducing falls

PLEASE JOIN US
Stepping On is a 7-week workshop series to learn important exercises and strategies to help prevent falls.

WHAT IS STEPPING ON?
Stepping On is a program that has been researched and proven to reduce falls in older people. It consists of a workshop that meets for two hours a week for seven weeks. Workshops are led by two trained Stepping On professionals who partner to provide participants with a quality adult learning environment. In addition, local guest experts provide information on exercise, vision, safety, and medications.

TOPICS INCLUDE:
- Simple and fun balance and strength training
- The role vision plays in keeping your balance
- How medications can contribute to falls
- Ways to keep from falling when out in your community
- What to look for in safe footwear
- How to eliminate fall hazards from your home
