In May, you received an email from us about plans to expand the Pathology Labs and the impact in the VSO. Our new, temporary location is the Patients' Library on 8JCP and we've been here about a month. We're settling into our new area, and thanks to you, our transition has gone smoothly! Thank you for your patience and flexibility during this transition time. Thanks also to the library staff for being so accommodating! Here's a quick overview of the changes and things to know:

**Patients' Library Hours**
The library remains open during their normal hours (1:00 PM - 4:00 PM). The Children's Library is open from 9:00 AM until 12:00 PM.

**Refreshment Station**
We still have plenty of snacks and coffee in our new location and volunteers are welcome to take what treats they'd like! The refreshment station is near the back library entrance, right next to the magazine...
catalog in the library.

**Volunteer Sign-In Kiosk**
Our VSys sign-in kiosk is now placed at the back of the library, right next to the back entrance of the library and our Volunteer Refreshment Station.

**Daychair Reception Desk**
The Daychair desk is now set up as the first station at the library’s circulation desk. This is where you can receive your parking validations, check-in for appointments, turn in donations, or talk to one of our awesome Daychair volunteers.

**Staff Members**
Our director, Jean Reed, remains in her old office location temporarily. Tom Compton (Administrative Specialist) and Jillna Claus (Assistant Director), are now located in what was the Education Center near the library's main entrance.

**Did you know...**

A significant impact is made on the patient and family experience at UIHC & SFCH because of YOU, our amazing volunteers! But are you aware of all the programs and services made possible because of your service? Proceeds from Wild Rose Gifts, Kaleidoscope Gift Shop & Safety Store, Fourth Floor Salon, and Rooftop Café & refreshment carts benefit patient and family programs.

Requests funded through the 2018 Contributions and Donations process and approved by the Volunteer Services Advisory Board have recently been posted on our website. Each month we will feature a program that was made possible because of you!
Did you know...
Volunteer Services recently funded five iPads for the Nursing Unit Clerks on Levels 3, 9, 10, and 11 to help them better communicate with patients and families who may have speak other languages or limited English. The NUCs will keep the iPads at the desk and will be used to communicate quickly with patients using the Cyracom interpretation services. Patients and families will be able to register and check-in quicker and easier this way and it will allow for a better experience overall.

Hospital News
South Hospital Drive to become 'For The Kids Way' on June 10
UI Dance Marathon has initiated the name change of South Hospital Drive to “For The Kids Way” in a nod to Dance Marathon’s long-time slogan, “For The Kids”. The UI chapter uses this slogan to pay tribute to pediatric patients of UI Stead Family Children’s Hospital.

Over the past 25 years, Dance Marathon programs around the state have contributed $40 million to support our pediatric patients and their families. These gifts have supported many important initiatives, including our new cancer center on Level 11, an endowment for a new child life specialist position, a new hemodynamic program in our nationally-renowned NICU, and a new neonatal pediatric transport vehicle that will bring children from across the state to receive world-class specialty care at our children’s hospital.

**Volunteer Safety Segment**

*Each month we will highlight a safety or patient visiting reminder*

![Code 195](#)
Code 195 is a number used in our hospital to directly dial Safety & Security in the case of different kinds of emergencies. Here are situations where you should dial 195:

1. **Security Emergencies**: Report emergency situations to Safety & Security by dialing “195”. Be prepared to provide as much information as possible:
   - location
   - who is involved
   - what is happening
   - type of weapons, if any
2. **Code Pink - Infant / Child Abductions**: If you have reason to suspect an infant or child has been abducted from the hospital, immediately dial “195.”
3. **Missing Patients**
4. **Accidents**

Please consult our Volunteer Handbook (page 31) [here](#) for more information.

**Getting to Know You**

The Volunteer Services Office (VSO) team is a large group of individuals, with a significant role in supporting volunteers, staff, businesses, and patient and family programs. To keep the introductions rolling, we will pose a question each month to these full-time staff, hourly staff, and volunteers as an opportunity for YOU to get to know US better.

This month’s question is: **Where would you love to go this summer?**

**Jaison Marks**, Daychair Volunteer on Friday afternoons: Greece. I'll get to visit at the end of July this year.

**Barb Duncan**, Daychair Volunteer on Thursday afternoons: I love to just go boating on the lake with my kids and grandkids every summer.

**Jillna Claus**, Assistant Director: I would love to make a trip out to Okoboji
