## Programs

---

### Radiant & Resilient:

Our licensed Cosmetologists are certified in wig fittings and provide complimentary wigs to pediatric and adult patients undergoing physical changes. We provide a respectful environment and can help you learn new skills and techniques to help overcome circumstances. We offer appointments in one-on-one settings. Many of our services, including wig fittings, turbans, and makeup lessons are available at reduced or no cost.

---

### Wigs for Kids Hair Donation

In partnership with Wigs for Kids, a non-profit organization, the Fourth Floor Salon can help you donate your hair to assist children suffering from medical hair loss. Donation hair is required to be a minimum of 12 inches and non-chemically treated.

---

### Pediatric Luxe Retreat

The Fourth Floor Salon, in partnership with Stead Family Children's Hospital, offers a complimentary program to pediatric inpatients. This program is available in a child's room or in a group setting on level 12 rooftop. Pediatric inpatients receive complimentary services such as temporary tattoos, temporary spray hair color, manicures, and styling such as braids or curls.

---

### Patient No Pay

Our "No Pay" Program provides services for inpatients who would benefit from a basic service but would find payment a hardship. Please speak with your care team about requesting a salon service without charge.

## Service Pricing

---

Visit the salon to shop our professional retail product lines and feel good knowing our salon proceeds benefit patient and family programs through University of Iowa Health Care Volunteer Services!
