Skills for Educators Workshop:
Interactive Lecturing
Marcy Rosenbaum, Ph.D.

September 14, 2017
8:30-11:30AM
Melrose Conference Rooms 1 & 2

This workshop will help you deliver effective, interactive presentations.
Objectives:
• Describe components of effective presentations
• Apply specific techniques for making presentations more interactive and memorable

Presented by:
The Office of Consultation and Research in Medical Education (OCRME)
University of Iowa Roy J. and Lucille A. Carver College of Medicine

Pre-registration is requested. Please register with Stephanie at 335-8901
or stephanie-burnett@uiowa.edu

Individuals with disabilities are encouraged to attend all University of Iowa-sponsored events. If you are a person with a disability who requires a reasonable accommodation in order to participate in this program, please contact OCMRE in advance at 335-8901.
