GENERAL INFORMATION

PURPOSE
This conference on Renal Allograft Pathology is designed to improve the diagnosis and treatment of complicated issues that can arise in kidney transplant patients through course lectures, case presentations, and interactive discussions.

INTENDED AUDIENCE
Nephrologists, transplant surgeons, pathologists, nurses, and other renal health professionals.

EDUCATIONAL OBJECTIVES
Upon completion of this conference, the learner should be able to:

• Identify key diagnostic features and correlate clinical management of the presented transplant kidney diseases.
• Identify potential challenges and pitfalls in diagnosis of allograft kidneys.
• Discuss new directions in the current management and diagnosis of allograft kidney disease.

REGISTRATION FEES
The fee is $100 for non-UI physicians, $50 for non-UI residents, fellows, nurses/allied health professionals, and clinical appointees/emeritus. UI physicians, residents, fellows, nurses/allied health professionals, $50 for non-UI residents, fellows, nurses/allied health professionals, and clinical appointees/emeritus. UI physicians, residents, fellows, nurses/allied health professionals, and clinical appointees/emeritus. UI physicians, residents, fellows, nurses/allied health professionals, and clinical appointees/emeritus.

EMERGENCY CALLS
